Abortion Pill Info & Medical Abortion Info

Learn about all the abortion procedures and understand the abortion pill and how it works. Review all your pregnancy options available to you.

We are committed to offering accurate information about abortion procedures and risks. We are not a medical facility and do not offer, recommend, or refer for abortions or abortifacients.

Abortion Pill Reversal

Have you taken the first dose of the abortion pill and regret your decision? We can help.

Support & Material Resources

Are you parenting but need support? We provide baby items and help with future planning?

Maternity Home

We offer safe housing during pregnancy and up to one year after the baby is born.

Parenting, Adoption & NYS Kinship Program

Learn more about the resources and NYS assistance programs that are available to you. There is support along the way for whatever choice you make.

Q&A

Q:WHAT DOES THIS PREGNANCY CENTER DO?

A: We provide answers, assistance and support regarding pregnancy, abortion information, and more. We give pregnancy test kits, offer referrals for ultrasound exams, and supply material assistance as needed all at no-cost.

Q:ARE THE SERVICES AND ITEMS REALLY FREE?

A: Yes. Our services and items are free because we are a 501 (3)(c) tax-exempt non-profit organization and local individuals, foundations, and organizations help cover the costs because they believe in helping women.

Q:WHAT HAPPENS DURING MY APPOINTMENT?

A: You will meet with your personal client advocate and have a brief assessment of your situation to determine your needs. We will review with you your options so you can determine a path that is best for you.

Q:CAN I GET A FREE PREGNANCY TEST?

A: Yes. We provide you with a free, self-pregnancy test kit which you will administer to yourself in the office to confirm your pregnancy.
